- Introduction

### The Truth Revealed

- Students report to their assigned group and receive iPad.
- Students log in JAFP app with assigned account number.
- Students make their life situation avatars.
- Students complete the **Net Monthly Income** (NMI) calculation.
- Students complete the **Budget Guidelines** percentages.
- Students log onto computer system.

### The Big Search/Budget Puzzle

- Students open budget expense options with QR code at each business.
- Students submit housing and transportation loan requests when at KeyBank.
- Students make their final budget decisions based upon their **Guidelines**.
- Students record stock prices.

### Lunch

### The Final Commitment

- Students finish any incomplete budget decisions.
- Students return to each kiosk to finalize budget decisions by making all payments.
- Students attend recap.

### Closing

- Students explore the JA Build Your Future App
- Students participate in cleanup and check in their iPad.
- Students attend a recap and are dismissed.

\*If you have not visited JAFP Realty or JAFP Auto Park you will need to skip over Home/Auto Insurance - AAA and Electric - Pacific Power and go to the next business on path.

\*Once US Bank is unlocked - students need to record their mid-day stock prices which will be projected on the monitors. Closing prices will stream after lunch.

\*Once the QR Codes opened at KeyBank, please have students apply for their Mortgage and Car loan. When finished, students press the Mark As Done button on iPad.

\*Water/Sewer/Trash QR Code is located on the garbage cans around town.  
Payments will be made at the staff counter.
