Weyerhaeuser Helpful Hints

Thank you for volunteering to assist the students at *JA BizTown*. The job you have here today is very important. Please read and use the helpful hints listed below as you work with this business. If you have any questions or concerns, please ask a *JA BizTown* staff member. As students ask for help during the day, remind them to check their simulation guide for their next steps.

1. Weyerhaeuser will borrow money from KeyBank. After the National Anthem, the CEO will take the **Loan Application** and **Promissory Note** to KeyBank, and the Environmental Specialist will take a \$5.00 payment check to UPS to purchase supplies.
2. The CEO should sign all checks. If they are not available, the CFO may sign in their absence. The CFO should only print checks as they receive invoices from other businesses.
3. Instruct employees to follow all equipment directions carefully and ask for assistance from the *JA BizTown* staff if anything is unclear or not working. **Don't try to fix it yourself!**
4. In addition to recycling, Weyerhaeuser employees will be using the computer to make bookmarks for their classmates today. Students will need to ask a *JA BizTown* Staff member for the citizen count to determine how many bookmarks to make.
5. The Environmental Specialist(s) will be doing recycling today, and also conducting a recycling survey.
6. Uniforms, if available, may be worn and should be folded neatly during clean-up.
7. At the end of the day, be certain that all student Simulation Folders and Volunteer Manuals remain in the business.

Weyerhaeuser Company Volunteer Facilitator Directions

START-UP TIME

(45 minutes)

- Start with 20 minutes of uninterrupted time for Staff Meeting #1. No Student should leave the business during this time unless they need to use the restroom. This meeting allows time for the discussion listed below and for students to read their own Job Simulations.
- At the end of these 20 minutes, the National Anthem will be played. At this time, only students whose jobs take them out into *JA BizTown* may begin to perform their tasks. All other employees will remain in their business to continue with Start-Up tasks.
- At the end of the 45 minute start-up period, a *JA BizTown* staff member will call all employees out of their business for the Opening Town Meeting.

Staff Meeting #1

1. **Gather your employees into a small group. This is a time when you take charge of the group. Introduce yourself, greet the students, and review employee responsibilities. The CFO should already be at their desk working. As you identify which students are doing the different jobs, be sure to place their names on the break schedule. This will show which break period each student is on.**

ASK: *Who is the CEO?*

SAY: *You are responsible for the smooth operation of Weyerhaeuser. You will make business operational decisions and supervise employees, and you will give a speech at the Closing Town Hall meeting in order to tell citizens recycling information your team gathered. You will also assist other employees when necessary. Be certain all employees are familiar with their responsibilities and are courteous to customers.*

ASK: *Who is the Environmental Specialist?*

SAY: *You are responsible for conducting a recycling survey as well as doing the community recycling today for JA BizTown. You will also need to review the results of the recycling survey with your CEO and choose a business to receive an award for their recycling practices.*

ASK: *Who is the Designer?*

SAY: *You are responsible for purchasing supplies from UPS and must carefully review the work order and production directions. You will design and produce bookmarks and paper bag décor according to the work order instructions. Stay on task to complete your job in a timely manner.*

SAY: *Each of you need to read your Simulation Guide frequently to make sure you are handling all of your responsibilities correctly. After the Opening Town Meeting, our breaks will start. Let's make sure our paperwork will be ready for making personal deposits at KeyBank. Please find your first deposit ticket in your checkbook. Is it completed? Let's check to make sure that you have entered the correct amount on your deposit ticket. (Refer to the Gross/Net Pay Chart following.)*

Job Title	Gross Pay	Net Pay
CEO	\$9.00	\$8.82
CFO	\$8.50	\$8.33
Designer	\$8.00	\$7.84
Environmental Specialist	\$8.00	\$7.84

ASK: *Have you decided how much cash you will be requesting at the bank? (Be sure each student has completely filled out a deposit ticket and has not asked for more than \$2.00 in cash. Remember, cash can only be used for purchases at the Café, the Business Journal, or for personal philanthropy donations at the Humane Society.)*

SAY: *Has your first deposit been entered into your checkbook register? (Students have been taught to use a double entry system for recording entries in the checkbook register. Be sure students enter the net deposit, which is the bottom number on the deposit ticket, in the deposit column as well as in the balance column of their checkbook register. Have them add to get a new balance.)*

SAY: *Next, we need to be sure you are ready to open your savings account when you go to KeyBank. Have you written your \$1.50 check to KeyBank for opening your savings account and recorded your check in the payment/debit column and in the balance column? After you have completed that, subtract and put the answer on the gray line.*

SAY: *When it's time for your break, you will get your paycheck from the CFO and endorse it. Then you'll need to take your paycheck, your completed deposit ticket, your \$1.50 check written to KeyBank, and your completed checkbook register to KeyBank.*

SAY: *Now, before each of you begin reading your Simulation Guide, let's quickly talk about our business goals for the day. What do you think some of our goals should be? (Students should discuss teamwork, customer service, cooperation, repayment of KeyBank loan, and making a profit.)*

SAY: *Now you need to go to your work area, read your Simulation Guide, become familiar with your job responsibilities, and begin to work. Remember, you may not leave our business. Once the National Anthem plays, the employees who need to work outside of the business can leave.*

Opening Town Meeting

J&A BizTown staff will instruct students to sit in the middle of the Town Square. Please remind students to be seated quickly and quietly.

Break Rotation #1

Students are divided into three groups and will rotate to take breaks. Refer to your break schedule to see which rotation students are on. While one group is at break, the other two groups should be working. Remind students to check with their boss before leaving for break or work-related duties. Also, remind students starting their break to eat lunch and go to KeyBank to deposit their paychecks.

Staff Meeting # 2

(10 minutes at the conclusion of Break Rotation #1)

Have the students bring their checkbooks and pencils to meet with you in a group. This is again a time when you must take charge of the group. Please use the entire 10 minutes to discuss the two scripted point below to assure that you complete all necessary tasks. **No telephones should be used during these 10 minutes.**

1. Prepare for second and final break:

SAY: Please turn to your next deposit ticket and let's complete it.

(Be sure each student completely fills out a deposit ticket and has not asked for more than \$2.00 in cash. Be sure students enter the net deposit [the bottom number from the deposit ticket] in the deposit column as well as the balance column of their checkbook register. Have them add to get a new balance.)

SAY: Did anyone make any purchases on the last break? Did you record the checks you wrote in your checkbook register?

(Compare registers with purchased items to be certain that employees are recording each purchase. If not, bring the registers up-to-date.)

SAY: This next break is your last chance to go shopping, so use your time carefully. Spend your money wisely, but spend it before leaving J&A BizTown; you cannot take it with you.

(Be sure students know what time they are to be back from break and how much money they need to spend during this final break.)

2. Discuss the first production period by asking the following questions:

ASK: Are we courteous to all of our customers?

ASK: Are we doing a good job of informing our customers about recycling choices?

ASK: Are we collecting all of the payments due to us?

ASK: Are we completing our bookmarks and bag production?

Break Rotation #2

Remind students to check in with their boss before leaving for break or work-related duties. Also, remind students starting their break that they must first go to KeyBank to deposit their paychecks.

Closing Staff Meeting and Clean Up

(20 minutes)

Have the students bring their checkbooks and pencils to again meet with you in a group. Remember, this is the final business staff meeting of the day. Please use this entire 20 minute period to clean up and hold the Closing Staff Meeting in the manner most suitable for your business. All business production is over, and it is time to reflect on the day and discuss whether the business was successful.

1. Reflection

ASK: *How many of you remember what our business goal was today at JA BizTown?*
(Review with students that paying off the business bank loan was the business measure of success for the day.)

ASK: *Did we meet that business goal?*
(Ask the CFO to give a brief report about loan repayment if necessary. If the KeyBank loan was repaid, discuss how that repayment spelled success and review the term “profit.” If the KeyBank loan was not repaid, discuss why and what could have been done differently to ensure business success.)

ASK: *What are some things that you learned today about how a business becomes successful?*
(Briefly review and discuss how the success of a business relies on teamwork, individual job responsibility, proper pricing, advertising, etc.)

ASK: *How many of you feel that you were personally successful today? Why or why not?*
(Discuss the importance of being an effective business team member, and help them to recall and review the importance of circular flow.)

SAY: *Name some of the challenges/benefits of keeping a personal checkbook register.*

ASK: *Why is it important that we each lend a hand to clean up our JA BizTown business before we attend the Closing Town Meeting?*
(Discuss what needs to be done to effectively clean up the business and oversee clean-up completion by the students.)

2. Clean-Up

- Put all supplies and materials, including the Simulation Guides and Volunteer Manuals, back in the original location. If you have extra inventory, place it back in the UPS supply box for *JA BizTown* staff to pick up later.
- Pick up everything on the floor.
- **Do not** turn off the computers.
- Teachers may be interested in taking completed business paperwork back to school for follow-up, especially student checkbooks. Collect these items and place them back into the manila envelope the students brought from school and give it to the CEO to take back to school.

3. Money Collection

- Collect all *JA BizTown* coins, dollar bills, and any other *JA BizTown* reusable materials from students and adults. Give them to a *JA BizTown* staff member or leave them in the business.

SAY: *When you feel our business is cleaned to our best, please gather your personal materials and stand by the doorway until we are called by the JA BizTown staff to attend the Closing Town Meeting.*

(Be certain that students leave no personal items behind. Replace all uniforms or materials belonging to *JA BizTown*.)

Closing Town Meeting

Have students wait in their business until the announcement for the Closing Town Meeting. *JA BizTown* staff will instruct students where to sit for this meeting. Please remind students to be seated quickly and quietly.

Dismissal

As you leave, please fill out a Facilitator Comment Card located on the counter next to the girls' restroom.

Thank you for your assistance today. We couldn't have operated without you!!!
