

## PGE Volunteer's Role

### IMPORTANT POINTS TO REMEMBER

- Provide guidance and assistance to students.
- Conduct scheduled Staff Meetings using the script in this manual - all directions for these meetings can be read to students word for word.
- Make sure students pay attention to announcements and break schedules.
- Remind students to use time wisely during their breaks and to eat and shop.
- Assist students as needed, but remember, it is their job to get everything done. Please do not tell them what to do.
- It is OK if students do not do everything right. They will learn from those mistakes.
- It is OK if the business does not pay off their loan. It is one of the goals for the day, but not the only goal.

### LOCATION OF IMPORTANT INFORMATION

- Complete student job responsibilities are found in the Simulation Folders. Using the checklist in this manual, refer students to their own manuals to get detailed directions for tasks.
- Unanswerable questions or concerns should be referred to a JA BizTown staff member.

### PERSONAL INFORMATION

- Take your breaks as needed.
- Please wear your nametag.
- At the end of the day, return the Volunteer Manuals and Student Simulation Folders to where you found them at the beginning of the day.
- This is a smoke-free facility. Please do not smoke on the property.

### STUDENT EXPECTATIONS

- Students must remain inside the *JA BizTown* area for the entire day.
- Food and drinks must remain in the eating area. This also applies to adults.
- No gum is allowed in *JA BizTown*.

### ITEMS INCLUDED IN UPS INVENTORY

Product Name	Quantity	Suggested Retail Price
PGE "Solar" Battery	4	\$0.00
PGE Energy Saver Certificates	18	\$0.00

- Students should confirm that all items are included in the inventory shipment.
- Other items needed for business are provided by other businesses (phones, bank bags, etc.)

## PGE Helpful Hints

Thank you for volunteering to assist the students at *JA BizTown*. The job you have here today is very important. Please read and use the helpful hints listed below as you work with this business. If you have any questions or concerns, please ask a *JA BizTown* staff member. As students ask for help during the day, remind them to check their simulation guide for their next steps.

1. PGE will borrow money from OnPoint. After the National Anthem, the CEO will take the **Loan Application** and **Promissory Note** (located in the BizPrep Packet) to OnPoint, and the Integrated Grid Engineer will pick up the supplies at The UPS Store.
2. The CEO should sign all checks. If they are not available, the CFO may sign in their absence. The CFO should only pay bills as they receive bills from other businesses.
3. The Integrated Grid Engineer will be taking the Solar Batteries from the UPS Store order and will be installing them into 4 specific businesses. These businesses are a part of a pilot program.
4. The Clean Energy Technician will work on signing up each business in the PGE Green Future Program. All participating businesses will receive a \$2.00 credit and a certificate.
5. Check each completed electric bill. Each bill should be for \$12.00. The credit is done automatically when a business signs up with the Clean Energy Technician.
6. Help the CEO with the Closing Town Hall speech.
7. At the end of the day, be certain that all Student and Volunteer Manuals and tablets remain in the business.

# Volunteer Facilitator Directions

### START-UP TIME

(45 minutes)

- Start with 20 minutes of uninterrupted time for Staff Meeting #1. No Student should leave the business during this time unless they need to use the restroom. This meeting allows time for the discussion listed below and for students to read their own Simulation Manuals.
- At the end of these 20 minutes, the National Anthem will be played. At this time, only students whose jobs take them out into *JA BizTown* may begin to perform their tasks. All other employees will remain in their business to continue with Start-Up tasks.
- At the end of the 45 minute start-up period, a *JA BizTown* staff member will call all employees to the front of their business for the Opening Town Meeting.

### Staff Meeting #1

1. **Gather your team members into a small group. This is a time when you take charge of the group. Introduce yourself, greet the students, and review employee responsibilities. The CFO should already be at their desk working. As you identify which students are doing the different jobs, be sure to pass out the employee lanyards to each employee. Their job title will be listed on the lanyard. Their break color is also listed on the lanyard. They should wear the lanyard all day.**

ASK: *Who is the CEO?*

SAY: *You are responsible for the smooth operation of the PGE. You will make business operational decisions, participate in the JA BizTown Chamber of Commerce meeting, conduct a lighting upgrade bid request for City Hall, and supervise team members. You will also give a speech at the Closing Town Hall meeting to tell citizens about the importance of green energy.*

ASK: *Who are the Clean Energy Technicians?*

SAY: *You are responsible for selling renewable energy to JA BizTown businesses. All participating businesses will receive a \$2 credit to their energy bill and an Energy Saver Certificate. You are also responsible for passing out the energy bills and picking up the payments from each JA BizTown business. Be certain to provide customers with excellent and courteous service.*

ASK: *Who are the Integrated Grid Engineers?*

SAY: *You are responsible for picking up supplies from The UPS Store, as well as installing Solar batteries, updating the energy grid and completing Energy Saver Certificates.*

**SAY:** *Each of you need to read your Simulation Manual frequently to make sure you are handling all of your responsibilities correctly. After the Opening Town Meeting, our breaks will start. Let's make sure our paperwork will be ready for making personal deposits at OnPoint. Please find your first deposit ticket in your checkbook. Is it completed? Let's check to make sure that you have entered the correct amount on your deposit ticket. (Refer to the Gross/Net Pay Chart following.)*

<b>Job Title</b>	<b>Gross Pay</b>	<b>Net Pay</b>
CEO	\$9.00	\$8.82
CFO	\$8.50	\$8.33
Clean Energy Technician, Integrated Grid Engineer	\$8.00	\$7.84

**ASK:** *Have you decided how much cash you will be requesting at the bank? (Be sure each student has completely filled out a deposit ticket and has not asked for more than \$2.00 in cash. Remember, cash can only be used for purchases at Chick-Fil-A or for personal philanthropy donations at the Water Partners.)*

**SAY:** *Has your first deposit been entered into your checkbook register? (Students have been taught to use a double entry system for recording entries in the checkbook register. Be sure students enter the net deposit, which is the bottom number on the deposit ticket, in the deposit column as well as in the balance column of their checkbook register. Have them add to get a new balance.)*

**SAY:** *Next, we need to be sure you are ready to open your savings account when you go to OnPoint. Have you written your \$1.50 check to OnPoint for opening your savings account and recorded your check in the payment/debit column and in the balance column? After you have completed that, subtract and put the answer on the gray line.*

**SAY:** *When it's time for your break, you will get your paycheck from the CFO and endorse it. Then you'll need to take your paycheck, your completed deposit ticket, your \$1.50 check written to OnPoint, and your completed checkbook register to OnPoint.*

**SAY:** *Now, before each of you begin reading your Simulation Manual, let's quickly talk about our business goals for the day. What do you think some of our goals should be? (Students should discuss teamwork, customer service, cooperation, repayment of OnPoint loan, and making a profit.)*

**SAY:** *Now you need to go to your work area, read your Simulation Manual, become familiar with your job responsibilities, and begin to work. Remember, you may not leave our business. Once the National Anthem plays, the employees who need to work outside of the business can leave.*

## Opening Town Meeting

JA BizTown staff will instruct students to sit in front of their business. Please remind students to be seated quickly and quietly. JA Staff will adjust students as needed so that all businesses can see.

## Break Rotation #1

Students are divided into three groups and will rotate to take breaks. Refer to your break schedule on the bulletin board and employee lanyards to see which rotation students are on. While one group is at break, the other two groups should be working. Remind students to check with their boss before leaving for break or work-related duties. Also, remind students starting their break to eat lunch and go to OnPoint to deposit their paychecks.

## Staff Meeting # 2

(10 minutes at the conclusion of Break Rotation #1)

Have the students bring their checkbooks and pencils to meet with you in a group. This is again a time when you must take charge of the group. Please use the entire 10 minutes to discuss the scripted points below to assure that you complete all necessary tasks.

### 1. Prepare for second and final break:

SAY: *Did anyone make any purchases on the last break? Did you record the checks you wrote in your checkbook register?*

(Compare registers with purchased items to be certain that employees are recording each purchase. If not, bring the registers up-to-date.)

SAY: *Remember your 2<sup>nd</sup> paycheck is being directly deposited into your checking account. If you are not here already, please turn to your register in your checkbook and enter your 2<sup>nd</sup> paycheck amount. (Either \$8.82, \$8.33 or \$7.84). Add this amount to your balance.*

SAY: *Does anyone want more cash for your 2<sup>nd</sup> break? If you do, you will need to write a check out to **cash**. Turn to the next check in your checkbook and fill it out. Remember you cannot take out more than \$2.00 in cash.*

SAY: *Once you have completed the check for cash, you will need to subtract that dollar amount from your balance. You should now have your new balance.*

SAY: *This next break is your last chance to go shopping, so use your time carefully. Spend your money wisely, but spend it before leaving JA BizTown; you cannot take it with you. (Be sure students know their break color and how much money they need to spend during this final break.)*

### 2. Discuss the first production period by asking the following questions:

ASK: *Are we courteous to all of our customers?*

ASK: *Have the Solar Batteries been installed?*

ASK: *Are we enrolling all JA BizTown businesses in the Green Future Program?*

ASK: *Has the Energy Grid been updated?*

ASK: *Have the bills been delivered and payments collected?*

## Break Rotation #2

Remind students to check in with their boss before leaving for break or work-related duties. Also, remind students starting their break that they must first go to OnPoint to get cash back if they want cash to spend

### Closing Staff Meeting and Clean Up

(10 minutes)

Have the students bring their checkbooks and pencils to again meet with you in a group. Remember, this is the final business staff meeting of the day. Please use this entire period to clean up and hold the Closing Staff Meeting in the manner most suitable for your business. All business production is over, and it is time to reflect on the day and discuss whether the business was successful.

#### 1. Reflection

ASK: *How many of you remember what our business goal was today at JA BizTown?*  
(Review with students that paying off the business bank loan was the business measure of success for the day.)

ASK: *Did we meet that business goal?*  
(Ask the CFO to give a brief report about loan repayment if necessary. If the OnPoint loan was repaid, discuss how that repayment spelled success and review the term "profit." If the OnPoint loan was not repaid, discuss why and what could have been done differently to ensure business success.)

ASK: *What are some things that you learned today about how a business becomes successful?*  
(Briefly review and discuss how the success of a business relies on teamwork, individual job responsibility, proper pricing, advertising, etc.)

ASK: *How many of you feel that you were personally successful today? Why or why not?*  
(Discuss the importance of being an effective business team member, and help them to recall and review the importance of circular flow.)

SAY: *Name some of the challenges/benefits of keeping a personal checkbook register.*

ASK: *Why is it important that we each lend a hand to clean up our JA BizTown business before we attend the Closing Town Meeting?*  
(Discuss what needs to be done to effectively clean up the business and oversee clean-up completion by the students.)

#### 2. Clean-Up

- Put all supplies and materials, including the Simulation Manuals and Volunteer Manuals, back in the original location. If you have extra inventory, place it back in the UPS supply box for *JA BizTown* staff to pick up later.
- Pick up everything on the floor.
- Teachers may be interested in taking completed business paperwork back to school for follow-up, especially student checkbooks. Collect these items and place them back into the manila envelope the students brought from school and give it to the CEO to take back to school.

### **3. Money Collection**

- Collect all *JA BizTown* coins, dollar bills, employee lanyards, bank bags and any other *JA BizTown* reusable materials from students and adults. Leave them in your business.

*SAY: When you feel our business is cleaned to our best, please gather your personal materials and stand by the doorway until we are called by the JA BizTown staff to attend the Closing Town Meeting.*

*(Be certain that students leave no personal items behind. Replace all uniforms or materials belonging to JA BizTown.)*

### **Closing Town Meeting**

Have students wait in their business until the announcement for the Closing Town Meeting. *JA BizTown* staff will instruct students where to sit for this meeting. Please remind students to be seated quickly and quietly.

### **Dismissal**

**Thank you for your assistance today. We couldn't have operated without you!!!**
